Lenogo DVD Movie to PSP Video Converter is a professional DVD to PSP video converter software. Lenogo DVD Movie to PSP Video Converter directly converts DVD movies to your PSP. All you need do is to connect PSP to your PC and start Lenogo DVD Movie to PSP Video Converter. When the conversion is completed, you may watch movies on your PSP! Most of other converters demand a lot more work -- you convert videos to hard disc, you change the file names, and you copy the files to your PSP.

Lenogo DVD Movie to PSP Video Converter is superior to its peers in terms of conversion speed. To convert DVD videos into PSP-ready MPEG-4 format, most of other converters in the market need two steps whereas Lenogo DVD Movie to PSP Video Converter supports single-step conversion which saves much time. Lenogo DVD Movie to PSP Video Converter converts one DVD movie in half an hour in some high-end computers, even faster than real time. Using Lenogo DVD Movie to PSP Video Converter, you may convert almost all kinds of DVD to PSP video (mp4) format.

With powerful Lenogo DVD Movie to PSP Video Converter, you may select desired target subtitle and audio track. Lenogo DVD Movie to PSP Video Converter can capture any segment of a DVD movie and convert it into PSP mp4 format. It still has a useful function for busy users -- the conversion process can be interrupted anywhere and the converted part is replayable.

Lenogo DVD Movie to PSP Video Converter is also superior for its easy to use benefit. It automatically detects the hardware configuration and makes an optimized conversion choice. Another useful function is its preview display. With the preview display you may watch the whole converting process, enjoy the waiting time. All this pleasure is easy to reach with your fingertips.
