Leawo Blu-ray Copy is a one-click smart tool for Blu-ray HD video fans to copy and backup Blu-ray discs to hard disk and DVD discs. It incorporates advanced replication technology that allows you to copy Blu-ray discs from various origins to the formats of DVD-5/9, file folder, ISO image and even 1:1 disc duplication for storage.

This Blu-ray copy tool can successfully decrypt and copy the most popular Blu-ray and DVD discs nowadays. It is able to remove different copy protections of your commercial Blu-ray discs with AACS, BD+, and copy DVDs with CSS protection as well. Besides, it could also act as a Blu-ray to DVD converter that could copy Blu-ray to DVD.

Newly added features like selecting the copy mode from full, main and custom; adding subtitle and setting audio; previewing the source video, etc will definitely provide more options and convenience for you to store your Blu-ray DVDs in multiple destinations.

Key Features

Backup BLu-ray disc with BD+ or AACS protection

This program incorporates smart Blu-ray discs decryption technology to successfully decrypt most Blu-ray discs with AACS or BD+ protection. The ability to convert Blu-ray to DVD of this Blu-ray Copy makes Blu-ray movies playable on DVD plyers for convenient movie enjoyment.

Smart CSS-DVD decryption

This Blu-ray copy could smartly copy the standard DVD disc with CSS protection.

Three-way selections of copying content

Leawo Blu-ray Copy enables you to select how the program will copy content from full, main, custom mode if the input is Blu-ray.

Considerate editing power for users

Before finishing the copy procedures, this Blu-ray to DVD converter allows users to set proper subtitle and audio according to language preference and preview the display effect.

1:1 disc to disc duplication for backup

It duplicates Blu-ray movie from discs of Blu-ray to another Blu-ray or Blu-ray to DVD without quality loss.

Create ISO image for your Blu-ray movie

This program can create a compressed ISO image of the Blu-ray disc, which is perfect for backup on PC hard disk.

High speed Blu-ray disc duplication

Leawo Blu-ray Copy is one of the fastest Blu-ray disc copy tools which can greatly save your time and energy.

No system delay or resource hogging

This program requires little system resource so that it can run on low system configurations.

One-click operation, easy and fast

Import the source, choose the target and start copying, no technical worries.
